# FRACP Paediatric Part 1 Written Examination Weekly Teaching Programme

Do you need help to pass the written examination?

## We provide

- Lectures by Paediatricians (general, community and sub-specialty), child psychiatrists, a paediatric dentist and scientists
- 60 one-hour weekly interactive online lectures available via Zoom as well as lecture slides and recordings available on a website specifically aiming at providing a framework of the knowledge necessary for passing the Part 1 Paediatrics Written Examination. Access to our teaching website is extended until the Divisional Clinical Exam 2023.
- Monthly practice MCQ exams written by our own question writers which are integrated with the topic presentations – these are marked and critiqued

*\* both paper- and computer-based practice exams are available*

- Paper 1 and 2 practice examinations in January 2023
- An opportunity to ask questions and to argue
